This race is a TrailWatch.net USA Cycling Pro XCT Short Track Series presented by EscapeAdventures.com race. The Series will encompass short track races at Sea Otter, the Carmichael Training Systems [Sand Creek International Classic](#), the [Mount Snow Shoot Out](#), the [Yankee Clipper at Windham Mountain](#) and the [Pro XCT Finals](#) in Las Vegas. Most aggressive riders in both the male and female short track races will be awarded \$250 courtesy of TrailWatch.net. The **Pro XCT Short Track** rankings will be tabulated completely separately from the **Pro XCT** cross country series, creating a unique king and queen of off-road short track mountain bike racing.
